BID BULLETIN NO. 01
"ENGINEERING, PROCUREMENT AND CONSTRUCTION OF PALINDAN SUBSTATION
EXPANSION PROJECT - TURNKEY"

(ITB NO. 2025-002)

This Bid Bulletin No. 01 is being issued to amend certain provisions contained in the Bidding Documents for this procurement in response to the queries raised by the prospective bidders in the **Pre-Bid Conference** conducted last **December 02, 2025**.

ITEM NO.	REFERENCE	QUERIES	AMENDMENT/RESPONSE
1.	<i>The total project duration shall be a maximum of six (6) months, or as may be offered by the bidder as the best completion period, to be counted from the date of issuance of the Notice to Proceed.</i>	Asked if the project duration may be extended beyond six (6) months.	Ms. Panday clarified that the project duration must strictly follow the maximum of six (6) months or best offer as stated in the bidding documents.
2.	<i>APPROVED BUDGET COST (ABC) : Php 69,471,146.14</i>	Inquired whether the project already has an available budget.	Ms. Panday confirmed with a "Yes."
3.	<i>Down Payment - 10% A down payment equivalent to ten percent (10%) of the Contract Price shall be released to the Contractor upon issuance of the Notice to Proceed (NTP) and submission of all required documentation for advance payment.</i>	Asked if 15% down payment is possible.	Ms. Panday confirmed that only a 10% down payment of the contract price, upon issuance of the NTP, is allowed as indicated in the bid documents.
4.	<i>Supply, Delivery, Installation, Testing, and Commissioning of 20/25MVA Power Transformer 69kV - 13.2kV Country of Orig in : Except China and Korea</i>	Regarding the transformer, it is indicated that procurement from China is not allowed. May we still purchase from China to reduce costs?	Mr. Sale explained that although it was previously recommended, the final management approval did not allow procurement from China; therefore, they will strictly adhere to the TOR.
